

Literacy sponsors in younger children

Maddie Kendrick

Literacy sponsors in children

- teachers/parents
- Peers
- Books/technology

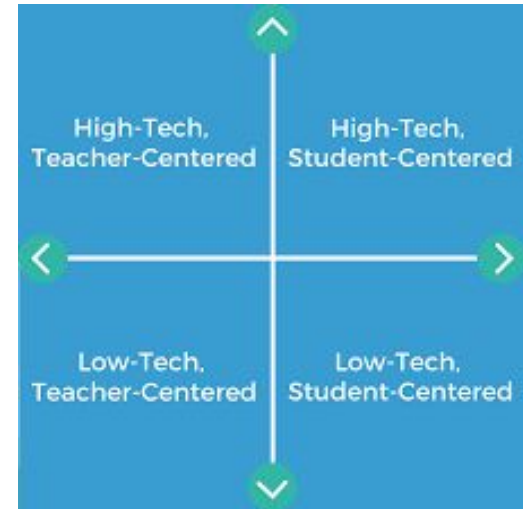

How do literacy sponsors affect children

- They show them how to read/write
- Allowing them to have good writing
- Helping the improve on skills

Ways to be a good literacy sponsor

- Being able to understand writing
- Knowing how to accommodate needs to different children
- Having different teaching ways

Ways being a negative literacy sponsor affects children

- Makes them feel bad about their work
- Makes them feel helpless
- Has them never wanting to ask for help
